TRAILER FOLK

ABOUT US

ABOUT US

Trailer Folk is a 5-piece American Folk cover band from Oklahoma. Their unique brand of entertainment fuses fiddle, banjo, and powerful, harmonic vocals with stage presence and sound that is uniquely their own.

Inspiration

Folk grit meets country gold with stories you've lived and songs you'll feel. A soulful blend of Americana, alt-country, and modern folk with a rock 'n' roll edge. Our sound moves from the heartfelt storytelling of Sierra Ferrell and Turnpike Troubadours to the anthemic energy of Fleetwood Mac and Kings of Leon - rooted in honesty, harmony, and heart.

OUR SERVICES

OUR SERVICES

Private Parties

Bring the heart and soul of live music to your next gathering. From backyard barbecues to milestone birthdays, Trailer Folk creates an unforgettable atmosphere with singalong favorites that get everyone smiling and swaying.

Venues & Festivals

Trailer Folk brings a crowd-pleasing mix of Americana, folk-rock, and alt-country to public stages, breweries, and local festivals. Our dynamic live show connects with audiences of all ages, blending authenticity with infectious energy that keeps the good times rolling.

Corporate & Community Events

Looking for live music that feels genuine and engaging without overpowering the room? Trailer Folk delivers the perfect blend of polished sound and relaxed charm — ideal for corporate mixers, fundraisers, or community gatherings where connection matters.

OUR PROCESS

OUR PROCESS

Step 1: Lock in Your Date

Once you're ready to book, a deposit is required to reserve your date and time. This ensures your event is officially on our calendar and allows us to start planning the details.

Step 2: Plan the Perfect Vibe

After booking, Trailer Folk will connect with you to learn about your event - from the crowd and setting to the mood you're after. We'll build a perfect setlist that fits your vibe, blending fan favorites with our signature folk and Americana style.

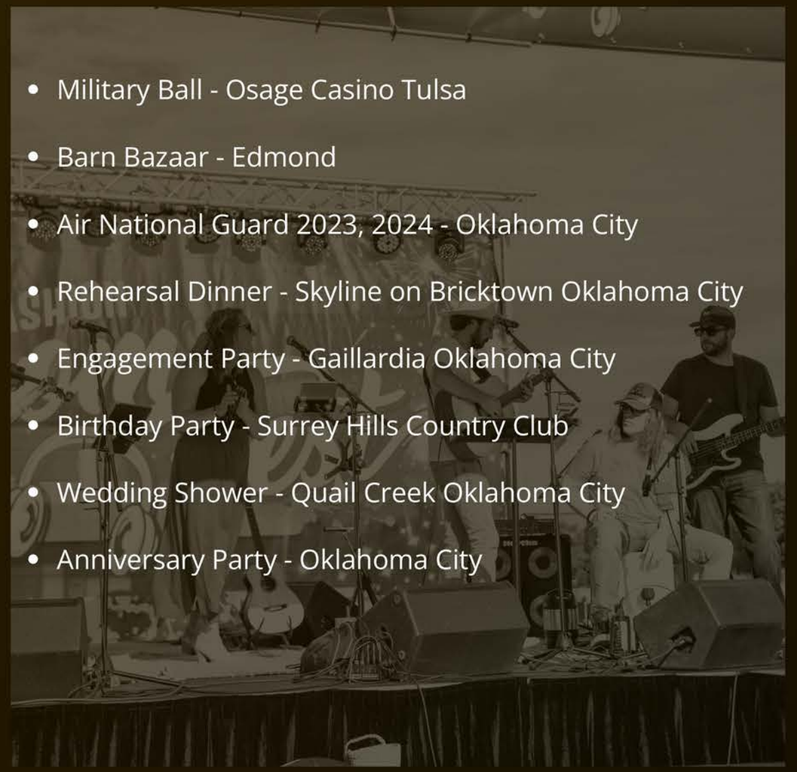

Step 3: Show Time!

On the day of your event, Trailer Folk brings all necessary sound equipment and lighting - we just need a power source to plug in. We arrive 2 to 2.5 hours earlier than first guest arrival for setup and soundcheck to ensure everything's dialed in. After the show, teardown is quick and easy, usually under an hour.
